

*Luxriot 2U & 4U Server Series are optimized to work with Luxriot Evo S and Luxriot Global server software as well as client viewing stations. Designed for High data throughput to handle latest surveillance/video management demands.*

IP NVR Server

## LUXRIOT NVR Servers

### Features:

- IP Network Video Recorder (NVR) Server
- Intel Core i7 (6 Core) Processor
- Storage HDD configuration from 9TB to 60TB
- 16 GB DDR4 Memory
- Server is pre-installed with Windows 10 Pro 64bit on Solid state drive
- Advance cooling system ensures optimal performance & long-term reliability
- On-site hardware server support for US customers

Optimized & Designed for:
